Attorney's Docket No.: 06618-406001 / CIT 2940

A brief statement of the reasons follows.

The undersigned is in charge of handling of this overall client. The work on this particular case, however, was delegated to another office. The undersigned had lost track of the case, and was simply assuming that the case was being handled.

Unbeknownst to the undersigned, a decision on appeal was mailed September 21, 2004. This decision never reached the undersigned. When Examiner Mercado called Ms. Whelan, Ms. Whelan indicated, based on our firm's internal database, that no additional appeals had been filed. However, at that point, the undersigned still had not seen the case.

This only came to the undersigned's attention approximately 2 months ago, at which point the client was consulted, who confirmed that they did not intend this case to become abandoned.
